

## INDUSTRIAL COMPONENT DATA

**1SDA056289R1 ABB E3S 2500 PR121/P-LSI In 2500A 3p W MP**

Brand: ABB | Manufacturer Part Number: 1SDA056289R1

|                 |                                                                   |
|-----------------|-------------------------------------------------------------------|
| Manufacturer    | ABB                                                               |
| MPN / Reference | 1SDA056289R1                                                      |
| Catalog number  | 056289                                                            |
| Category        | Power circuit-breaker for trafo/generator/installation protection |
| Minimum order   | 1 Pcs                                                             |
| Document ID     | EO-ED2797FF81                                                     |
| Generated       | 2026-08-03                                                        |

**Product Overview**

E3S 2500 PR121/P-LSI In=2500A 3p W MP  
E3S2500 PR121/P LSI 3P W MP

## STRUCTURED PRODUCT DATA

**Technical Specifications**

No structured technical attributes are currently available. Submit an RFQ for technical review.

**Classification & Catalog Path**

|              |                                |
|--------------|--------------------------------|
| Catalog path | ABB > Rack "Megamax-Emax" > E3 |
|--------------|--------------------------------|
