# LS-XLA 266124 Y7-266124 EATON ELECTRIC Angled roller lever

Brand: EATON - MOELLER | Manufacturer Part Number: LS-XLA

|                 |                                                 |
|-----------------|-------------------------------------------------|
| Manufacturer    | EATON - MOELLER                                 |
| MPN / Reference | LS-XLA                                          |
| Catalog number  | Y7-266124                                       |
| Category        | Drive head for position switches/hinge switches |
| Minimum order   | 10 Pcs                                          |
| Document ID     | EO-A0C2A42D41                                   |
| Generated       | 2026-08-01                                      |

## Product Overview

Angled roller lever

LS-XLA

Eaton Moeller® series LS Angled roller lever

Operating head for LS-Titan position switch, IEC EN 60947-5-1, high degree of protection IP66, device for world markets, modular system, easy mounting technology operating heads can be attached in any 4 directions and snapped on simple, quick and safely using the bayonet fitting.
