Additional Product Information

Customized inscription Delivery program
Product range EC4P compact PLCs Accessories Individual laser inscription Description Custom labeling of easy Control with inscription software Labeleditor or supply of easyControl programmed with user program For use with EC4P Notes Individually inscribe your device in 4 stages:
Download the inscription software: www.moeller.net/support, keyword: "Labeleditor"
Creation of label template (menu-guided in the software)
Send the label template to the factory by email. The email address is automatically set for the selected product by the program. When your template is sent, the Labeleditor issues a file name such as "EASY_12345.zip". This file name is part of the article to be ordered (see Ordering examples).
Send order to the Eaton office or the electrical wholesalers.
