| Manufacturer    | EATON - MOELLER                                        |
| MPN / Reference | ZB32-XEZ                                               |
| Catalog number  | Y7-278473                                              |
| Category        | Accessories/spare parts for overload protection device |
| Minimum order   | 5 Pcs                                                  |
| Document ID     | EO-AA0CC86CF3                                          |
| Generated       | 2026-08-06                                             |

## Product Overview

Individual mounting base, for ZB32 overload relay

ZB32-XEZ

Eaton Moeller® series ZB Individual mounting base, for ZB32 overload relay

Base for separate mounting of overload relay frame size ZB32
