

## INDUSTRIAL COMPONENT DATA

# IZMX-DTP-GM 156659 EATON ELECTRIC Power Distribution Components

Brand: EATON - MOELLER | Manufacturer Part Number: IZMX-DTP-GM

|                 |                                                           |
|-----------------|-----------------------------------------------------------|
| Manufacturer    | EATON - MOELLER                                           |
| MPN / Reference | IZMX-DTP-GM                                               |
| Catalog number  | 156659                                                    |
| Category        | Accessories/spare parts for low-voltage switch technology |
| Minimum order   | 1 Pcs                                                     |
| Document ID     | EO-969017F247                                             |
| Generated       | 2026-08-03                                                |

## Product Overview

Power Distribution Components

IZMX-DTP-GM

Control unit for power measurement, with earth-fault protection, with ARMS

## STRUCTURED PRODUCT DATA

## Technical Specifications

No structured technical attributes are currently available. Submit an RFQ for technical review.

## Classification & Catalog Path

Catalog path EATON - MOELLER &gt; Circuit Breakers IZM

## Additional Product Information

ETIM for 156659 Low-voltage industrial controls and switchgear (EC002498)

Feature Name

Feature Value

Type of accessory/spare part (EF000215)

Other

Accessory (EF013236)

No

Spare part (EF013237)

No

## REQUEST PRICE, AVAILABILITY & TECHNICAL REVIEW
