Additional Product Information

MFD combination, customized inscription, customized type Custom labeling of multi-function display using the Label Editor inscription software, or multi-function display delivered programmed with user program Delivery program

Product range Multi-function-display MFD-Titan Accessories Individual laser inscription Description Custom labeling of multi-function display with inscription software Labeleditor or supply of multi-function display programmed with user program For use with MFD80

MFD-CP8

MFD-CP10 Notes Individually inscribe your device in 4 stages:

Download the inscription software: www.moeller.net/support, keyword: "Labeleditor"

Creation of label template (menu-guided in the software)

Send the label template to the factory by email. The email address is automatically set for the selected product by the program. When your template is sent, the Labeleditor issues a file name such as "EASY_12345.zip". This file name is part of the article to be ordered (see Ordering examples).

Send order to the Eaton office or the electrical wholesalers.

Notes Ordering example: MFD-Titan

MFD-80-B multi-function display with "company name":

1 x MFD-COMBINATION-*

1 x MFD-80-B

1 x the file name "MFD_XXXX.zip" issued by the LabelEditor

Design verification as per IEC/EN 61439

Operating ambient temperature min. -25 °C Operating ambient temperature max. +55 °C Technical data ETIM 7.0

PLC's (EG000024) / Accessories for controls (EC002584) Electric engineering, automation, process control enginee...
