## Product Overview

Automatic int. NZM2 PXR20, 3p, 40A, screw terminal

Circuit-breaker, NZM2 PXR20, 3 pole, 40A, screw terminal

The xEffect NZM...-VX circuit breaker range with power expert release (PXR) electronic triggering system covers use cases for full range protection with only four compact sizes and is suitable for the IEC market. Test function and settings via micro USB port directly on the switch. Modular function groups always make mounting flexible and may be supplemented by the comprehensive range of accessories. R.m.s. value measurement and thermal memory.
