| Generated       | 2026-08-01                                                |

## Product Overview

Communications module, RJ45, EIP

Optional accessories for NZM series circuit-breakers. Offers a comprehensive portfolio of applications for worldwide use. Thanks to the modular functional groups, installation is always flexible and simple. Notes: Communication adapter modules - For fieldbus connection. Module for NZM. For connection to Ethernet I/P. Cannot be used with the PXR10 NZM-AX electronic release.

## STRUCTURED PRODUCT DATA

## Technical Specifications

No structured technical attributes are currently available. Submit an RFQ for technical review.
