## Product Overview

Communication module for IZM and NZM-VX(MX)(PX)(PMX). Profibus DP

Communication module, Profibus DP

Optional accessories for NZM and IZMX series circuit-breakers. Offers a comprehensive portfolio of applications for worldwide use. Thanks to the modular functional groups, installation is always flexible and simple. Notes: Communication adapter modules - For fieldbus connection. Module for NZM and IZMX. For connection to Profibus DP. Cannot be used with the PXR10 NZM-AX electronic release.

## STRUCTURED PRODUCT DATA

## Technical Specifications

No structured technical attributes are currently available. Submit an RFQ for technical review.
