| Manufacturer    | EATON - MOELLER                                                     |
| MPN / Reference | EML34                                                               |
| Catalog number  | Y7-144550                                                           |
| Category        | Accessories/spare parts for electronic motor control and protection |
| Minimum order   | 1 Pcs                                                               |
| Document ID     | EO-B2C6A5F80F                                                       |
| Generated       | 2026-08-03                                                          |

## Product Overview

Industrial Automation Bussines and Industrial Control Devices Low Voltage VFD

EML34

LUG COVER KIT

**STRUCTURED PRODUCT DATA**

## Technical Specifications

No structured technical attributes are currently available. Submit an RFQ for technical review.

## Classification & Catalog Path

Catalog path EATON - MOELLER &gt; High Performance Soft Starters

## Additional Product Information

ETIM for 144550 Low-voltage industrial controls and switchgear (EC002615)

Feature Name

Feature Value

Accessory (EF013236)

No

Spare part (EF013237)

No

## REQUEST PRICE, AVAILABILITY & TECHNICAL REVIEW
