Technical data

Description:

Adjustable door hinges which allows the door to open 180°. Machining is required.

Material:

Die-cast alloy.

Finish:

Structured blue.

Maximum load:

800 N (per kit).

Pack quantity:

4 hinges with mounting accessories.

Features

Feature:

180° hinges for floor standing enclosures.

Advantage:

The hinges allow users to gain full access to the enclosure.

Benefit:

Maintenance can be performed easily as the enclosure's door will not interfere.

Comment:

The floor standing enclosure door requires machining before the hinges can be mounted.
