Technical data

Description:

Mounted to the enclosure's frame. Can be used on both vertical and the horizontal profiles.

Material:

3 mm zinc plated steel.

Pack quantity:

12 brackets with mounting accessories.

Features

Feature:

Zinc plated steel separation plate brackets for mild steel combinable floor standing enclosures.

Advantage:

Identical brackets are used for all different separation plate sizes whether they are mounted between bayed enclosures or between the enclosure and raised side door.

Benefit:

Provides universality, meaning less stock and knowledge is required by customers.
