Additional Product Information

Features

Description: The side mounting kits make mounting on the side of an electrical enclosure possible when there is limited space on the top. The side mounting kit maintains the TYPE / IP rating. They mount in a standard electrical knockout.

Material: Aluminium in BPF9001 and 9002, and stainless steel 303 in BPF9003 and 9004.

Pack quantity: 1 piece.

The vortex cooler can be easily installed in the field even when there is not enough space for the installation on the enclosure's roof

The side mounting kit provides customers with more mounting possibilities enabling it to be used in more applications

They mount in a standard electrical knockout
