

INDUSTRIAL COMPONENT DATA

CONU48 ELDON Cable conduit D48 mm, UL CONU48

Brand: ELDON | Manufacturer Part Number: CONU48

Manufacturer	ELDON
MPN / Reference	CONU48
Catalog number	10000
Category	Cable guide for enclosures/cabinets
Minimum order	1 Pcs
Document ID	EO-22A12D5D7D
Generated	2026-08-01

Product Overview

Cable conduit D48 mm, UL CONU48

Conduit for cable, 48 mm, UL

STRUCTURED PRODUCT DATA

Technical Specifications

No structured technical attributes are currently available. Submit an RFQ for technical review.

Classification & Catalog Path

Catalog path ELDON > Steel Floor Standing Enclosures

Additional Product Information

The cable conduit allows for fast installation of cables while guaranteeing safe and reliable connection between components installed in mobile parts and those in the enclosure. The UL certification means no additional testing is required for panels that go into the US.

Characteristics

Diameter 48

Item no.: CONU48

EAN no.: 8713574052970

Technical data

Description:

For flexible and safe protection of cables installed between the door or swing frame and the enclosure's interior. Highly flexible and halogen free.

Material:

Polyamide. UL approved.

Mounting requirements:

Add CONH for direct mounting to profiles.

Pack quantity:

25 m.

Features

Feature:

UL certified flexible polyethylene cable conduit.

Advantage:

Cut to size it can be used for any cabling from a mobile part to a fixed one, for example the cables from the door or swing frame to the enclosure. The UL certification avoid additional test when is used in panels for US.

Benefit:

Fast and safe cables installation for the always problematic connections between components installed in a mobile part.

Security about the compliance with UL requirements and less certification costs.

Comment:

Cable conduits, CON, require universal conduit holders, CONH, to be installed easily. The universal conduit holders, CONH, can be quickly installed onto side mounting profiles, CMB, or door profiles, DCP, that can be fitted inside the enclosure's door.
