Additional Product Information

Technical data
Description:

Baying brackets provide a rigid reinforcement of the enclosure assembly. The correct spacing between the enclosures is assured. Tools are not required for installation.

Material:

3 mm Stainless Steel 316L

Pack quantity:

8 brackets with mounting accessories.

Features
Feature:

A baying kit including snap-lines, mounted on the interior of the profiles, to allow for side-to-side baying of combinable floor

standing enclosures.

Advantage:

Tool free assembly without the need to remove the door and rear panel.

Benefit:

Reduction of assembly time.

Comment:

These brackets should not be used in combination with a separation plate or mounting plate if mounted on the side of the enclosure. The external baying kit (CCE) should be used under these circumstances.
