Technical data

Description:

Orange plug-in connecting cable between LTLN light units.

Length:

1 m.

Approvals:

CE.

Pack quantity:

5 pieces.

Features

Feature:

Orange interconnecting cable for enclosure lights, LTLN.

Advantage:

Off the shelf solution, the cable easily connects multiple enclosure lights together.

Benefit:

Ready to use cables, simplifying the procurement and ensuring that the lights can be installed easily.

Comment:

Orange cables are normally used to denote that the cable is live, even when the main power switch has been turned off.
