Union Kit corner

Corner baying kit

STRUCTURED PRODUCT DATA

Technical Specifications

No structured technical attributes are currently available. Submit an RFQ for technical review.

Classification & Catalog Path

Catalog path ELDON > Stainless steel enclosures

Additional Product Information

Features

Description: The enclosures can be bayed together side to front or side to side. The IP rating is thus maintained.

Material: 3 mm zinc plated steel.

Pack quantity: 1 set.

Mounting requirements: On corner configurations, door hinges must be mounted facing each other on the central area. An extra enclosure is needed in the corner with dimensions corresponding to the depths of the adjacent enclosures.
