Additional Product Information

Technical data

Description:

Fills the corner between two coupled enclosures. Length: 308 mm.

Finish:

RAL 7035.

Delivery:

1 piece.

Features

Feature:

Plastic corner profile, for combinable polyester enclosures (UDP).

Advantage:

The profile covers the corner join between two enclosures, when they are combined.

Benefit:

The profile improves the aesthetics of the overall enclosure solution and prevents the accumulation of dust, which protects the combining gasket that is mounted in between the two enclosures.
