Additional Product Information

Technical data

Description:

Cover plugs can be used in place of the cover screws located next to the hinge, if hinges are fitted.

Material:

Polyethylene.

Pack quantity:

10 pieces.

Features

Feature:

Polyethylene cover plugs for ABS terminal boxes, SABP.

Advantage:

The fixation holes next to the terminal box's hinges are covered using these plugs when hinges have been mounted.

Benefit:

The aesthetics of the terminal box is improved ensuring that the fixation holes do not accumulate dirt and dust.

Comment:

Highly recommended to install cover plugs on the hinge side of the terminal box when hinges are mounted.
