Technical data

Approvals:

CE, EAC.

Pack quantity:

Pack of 5 female connectors for LTLN lights.

Features

Feature:

Female connectors for enclosure lights, LTLN.

Advantage:

Customers have the choice to install enclosure lights using their own cables, which can be cut to size. These connectors can be used to connect the enclosure light to a power source or to another enclosure light.

Benefit:

The connectors provide a flexible solution giving the customer the choice of which cables are used for installation.
