Additional Product Information

Features

Description: Handle to replace the standard.

Delivery: 1 piece with mounting accessories.

Swing handle for polyester wall mounted enclosures

The handle replaces the standard modular or compact polyester wall mounted enclosure handle/lock and offers many key or padlocking options

The handle allows the door to be opened easily while limiting access to the enclosure via the different key options

Locking handles with compatible keys maybe selected due to the specification set by the end user

The security of the enclosure can be increased by using additional padlocks

Machining is required for compact polyester wall mounted enclosures

Locking inserts, LSSU must be ordered separately

Description: UDH02 - For two profile half cylinder locks; UDH03 - For pad-locking (max dim. 10 mm)
