Technical data

Description:

Lift handle for LHC locking inserts/half cylinders.

Material:

Zamak.

Pack quantity:

1 lift handle.

Mounting requirements:

Add LHC inserts/half cylinders when required.

Features

Feature:

Lift handle for floor standing enclosures.

Advantage:

The handle replaces the standard floor standing enclosure lock and offers different many key options.

Benefit:

The handle allows the door to be opened easily while limiting access to the enclosure via the different key options. Locking handles with compatible keys may be selected based on the specification set by the end user.

Comment:

Locking inserts, LHC must be ordered separately.
