Additional Product Information

Technical data

Approvals:

CE, EAC.

Pack quantity:

Pack of 5 male connectors.

Features

Feature:

Male connectors for enclosure lights, LTS and LTSM.

Advantage:

Customers have the choice to install enclosure lights using their own cables, which can be cut to size. These connectors can be used to interconnect the enclosure light to another enclosure light.

Benefit:

The connectors provide a flexible solution giving the customer the choice of which cables are used for installation.
