Additional Product Information

Features

Description: Enables partial height swing frames to be mounted in floor standing, combinable and compact, steel enclosures with full access to the enclosure's aperture. The swing frame can be mounted to allow both left and right hand opening.

Material: 3 mm zinc plated steel.

Pack quantity: 1 complete kit for one swing frame.

Mounting requirements: The SFBP can be used in double door enclosures by means of the VB/CDV divider profile. For depth adjustment use CLPK profiles
