Technical data

Description:

Maximum loading capacity when mounted directly onto the 19" profiles, front and rear. Ventilation openings.

Material:

1.5 mm steel.

Finish:

RAL 7035.

Pack quantity:

1 shelf with mounting material.

Features

Feature:

Steel shelf with ventilation openings, to be mounted onto 19" profiles.

Advantage:

The shelf can be mounted within enclosures using front and rear 19" profiles. The shelf offers a high loading capacity as it is directly fixed at each corner.

Benefit:

The shelf can be adjusted in height and provides further mounting possibilities, especially for heavy components. The ventilation openings does not prevent the enclosure's air circulation which reduces the risk of potential hot spots.

Comment:

19" profiles are required in the front and rear of the enclosure before the shelf can be mounted.
