

INDUSTRIAL COMPONENT DATA

CES25 ELDON Simple protection gland M25 CES25

Brand: ELDON | Manufacturer Part Number: CES25

Manufacturer	ELDON
MPN / Reference	CES25
Catalog number	10000
Category	Cable entry sleeve
Minimum order	1 Pcs
Document ID	EO-63BBC4C347
Generated	2026-07-29

Product Overview

Simple protection gland M25 CES25

Knockouts of prot. simple M25. Pack of 50 units.

Simple protection gland M25

Additional Product Information

Features

Description: Simple grommet manufactured in a rubber-like material. The installation does not require tools. The “pushout” membrane is a permanent seal until it is penetrated by a cable or pipe. It is equipped with a sock that closes tight around the cable and allows for it to be moved around like a “joy-stick” in the opening without endangering the IP, so it works extremely well with cables passing through at an angle. Suitable for holes in materials of 0.5 to 4.5 mm thickness.

Material: TPE (thermoplastic elastomer), halogen free.

Temperature resistance: -50 °C to +125 °C.

Finish: RAL 7035.

Protection: IP 67.
