Additional Product Information

Features

Description: Enables partial height swing frames to be mounted in wall mounted, steel enclosures, and floor standing, combinable, steel enclosures. The swing frames can be mounted to allow both left and right hand opening.

Material: 3 mm zinc plated steel.

Pack quantity: 1 complete kit including mounting brackets for one swing frame.

Mounting requirements: For wall mounted, steel enclosures, use in combination with the AVB profiles. For floor standing enclosures, it can be mounted directly to the enclosure frame or adjustable in depth, in steps of 25 mm, by means of the CLPK.
