Additional Product Information

WM BW Blanc wrapping labels are markers of vinyl with an protective transparent foil for marking cables with a pen.

Marking pens available in the web catalogue

Benefits

Wrapping label with protective foil

When the cover is applied onto the cable, the transparent foil covers the writing area, thus protecting it against abrasion, humidity, oil and light solvents.

Easy to label

Application range

For cable marking

The designations can be written with a pencil, a ballpoint, pen, or other marker on the white writing area
