

INDUSTRIAL COMPONENT DATA

032884 LEGRAND CABLE, C6A U/FTP 4P LSOH 500M. Sold in reels of 500 m. The unit price is per meter.

Brand: LEGRAND | Manufacturer Part Number: 032884

Manufacturer	LEGRAND
MPN / Reference	032884
Catalog number	032884
Category	Data and communication cable
Minimum order	500 m.
Document ID	EO-78F4D8E6F1
Generated	2026-08-02

Product Overview

CABLE, C6A U/FTP 4P LSOH 500M. Sold in reels of 500 m. The unit price is per meter.

CABLE, C6A U/FTP 4P LSOH 500M

Category 6A U/FTP cable 4 pairs LSZH Euroclass Cca 500 meters yellow

Additional Product Information

Overview

This cat. The 6A U/FTP twisted 4-pair cable supports data transmission in a structured cabling system while protecting from electromagnetic interference.

description

At the time of the development of connected solutions, the increasing transmission of data, the multiplication of networks, the need for higher speeds demands increasingly reliable, secure and efficient digital infrastructures. To meet these needs, Legrand has developed LCS³, the new digital infrastructure system with VDI solutions for copper up to 40 Gbit/s and fibre optics up to 100 Gbit/s. Easy to deploy, fast and tool-free, they facilitate maintenance and are suitable for the most critical sites thanks to their modularity and network performance. With a 25-year warranty, LCS³ is suitable for small and medium-sized tertiary works (small shops, schools, etc.) as well as for large tertiary works (office buildings, leisure parks, large shopping malls, stadiums, sports facilities, etc.), and meets the requirements of sensitive sites with a maximum level of criticality (hospitals, airports).specifications

Cable type U/FTP

Duplex No
Conductor Material copper
Conductor surface Uncovered
Conductor Diameter 0.56 mm
Nominal Conductor Section 0.25 mm²
AWG Gauge 23
Driver Class Class 1 = 1-strand rigid
Number of threads 8
Number of Braiding Elements 4
Braiding element Pairs
Conductor insulation material Other
Conductor insulation specification Polyethylene (PE)
Identification of insulated conductors according to...
