## Classification & Catalog Path

Catalog path **LEGRAND > COLUMN WIRING MANAGEMENT**

## Additional Product Information

The vertical joint kit is made of halogen-free plastic to ensure safety in the environment. It can be easily installed using the 2 existing screws of the compact mini column, simplifying the assembly process. This accessory has 2 open spaces for the passage of cables from one compact mini column to another, which facilitates the orderly distribution of cables between columns. Available in light gray for discreet integration into any environment. Type of accessory/spare part Angle mounting clamp
