

INDUSTRIAL COMPONENT DATA

741811 LEGRAND VNwN-2P+T-WHITE

Brand: LEGRAND | Manufacturer Part Number: 741811

Manufacturer	LEGRAND
MPN / Reference	741811
Catalog number	741811
Category	Socket outlet
Minimum order	1 Pcs
Document ID	EO-18F7F457AF
Generated	2026-08-01

Product Overview

VNwN-2P+T-WHITE

The base current is connected is used to control electrical equipment from a distance - can be associated with one or more commands lighting wireless for your remote control - allows you to control your consumption and receive notifications through the APP Home + Control Legrand - requires installation of Starter Pack - white
Connected power socket (Schuko standard) Valena Next w/Netatmo - White

Additional Product Information

Product features

The base current is connected to measure the consumption of instant and accumulated - it is compatible with all types of electrical equipment, especially electrical household appliances - Incorporates an additional protection built-in in the event of overloads exceeding 16 A - Allows for the configuration of the sending of notifications (damage, excess consumption, etc) - Use the same wiring (phase and neutral) that a base current traditional - can be controlled from one or several commands of lighting and wireless from the command DAY/NIGHT and GET in/OUT - supplied with claws - can be installed with clamps or screws (not supplied) - Requires installation of Starter Pack - White General characteristics
Valena Next with Netatmo - bases of current connected to - are provided with front finish, plate, dummy, and plastic cover - recessed mounting by means of claws or screws to a box universal
ETIM for 741811 Domestic wiring accessories and controls (EC000125)

Feature Name

Feature Value

Over voltage protection (EF001332)

No

Rotated central insert (EF001331)

No

Material quality (EF001257)

Thermoplastic

Mounting method (EF000003)

Flush mounted

Special power supply (EF001334)

EV006426

Connection type (EF000124)

Screwed terminal

Fault current protection (EF001333)

No

Nominal voltage (EF000002)

240 V

Number of modules (module system) (EF009573)

2

Compatible with Apple HomeKit (EF014925)

Yes

Eject-mechanism (EF001051)

No

Compatible with Amazon Alexa (EF014927)

Yes
