

## INDUSTRIAL COMPONENT DATA

# NT-112181 LEGRAND Magnetic closure for D-ATOM

Brand: LEGRAND | Manufacturer Part Number: 112181

|                 |                    |
|-----------------|--------------------|
| Manufacturer    | LEGRAND            |
| MPN / Reference | 112181             |
| Catalog number  | 112181             |
| Category        | WIRELESS SOLUTIONS |
| Minimum order   | 1 unit             |
| Document ID     | EO-54A0612FE9      |
| Generated       | 2026-07-29         |

## Product Overview

NT-112181 LEGRAND Magnetic closure for D-ATOM

## STRUCTURED PRODUCT DATA

## Technical Specifications

No structured technical attributes are currently available. Submit an RFQ for technical review.

## Classification & Catalog Path

Catalog path LEGRAND &gt; WIRELESS SOLUTIONS

## Additional Product Information

## Product features

(you do not have technical specifications) General characteristics

D-POS provides to the residential spaces free from bonds by which the elderly may be wandering. The technology G-POS allows you to configure a number of steps determined, authorizing or denying access to residents on the basis of their profile. The resident will take a bracelet in which is set the policy of access (allowed or denied). When the resident access by a step-constrained the system will throw an alarm that alerts you to the professionals. The system allows you to know what a person is and what access is by crossing, being able to act very effectively.
