Additional Product Information

Name DRP-03

Long Description Clip fastening to attach the sources on a Din Rail.

It works for all the formats out of the box.

Serves for all series of sources in the box.

On this clip you must attach the brackets to a DIN rail, DRL-01, DRL-02 or DRL-03 depending on the format of the box.

You also need the screw kit in addition to the squares in L in order to set the font in the Din rail.
