Additional Product Information

Data carrier with straight outlet and sliding closure to accommodate two data connection modules with RJ45 socket. It can be installed both vertically and horizontally. The RM type has a special receiver module and is designed for indirect attachment of the data connection modules to the mounting opening.

The RM type data carrier is suitable for accommodating the following data connection modules: ASM-C5, ASM-C5 G, ASM-C6 and ASM-C6 G; R&M: cat. 5 and cat. 6 without support plate.

For installation in Rapid 45 and Rapid 80 channel carriers, ISS distribution columns and underfloor systems.
