Generated	2026-08-01

Product Overview

Pipe shell internally coated, Ø107x300, Grey, Polyvinylchloride, PVC

PYROCOMB® Intube pipe shell. Internally coated pipe shells with click lock. The inner space can be fitted with cables and electrical installation pipes completely. For interior application. CE-labelled, European approved construction product according to ETA-13/0904 and German general type approval. Fire resistance up to 120 minutes. Closing with 2 foam plugs included in the delivery. The surface seal is created with PYROCOAT® ASX coating. In some applications, the use of metallic tightening straps is prescribed to secure the pipe shells in light-duty partitions. Details can be found in the mounting instructions/approval.
