No structured technical attributes are currently available. Submit an RFQ for technical review.

Classification & Catalog Path

Catalog path **OBO BETTERMANN > VBS Connection and fastening systems - OBO BETTERMANN**

Additional Product Information

Support cable with armella for the suspension of different loads. For installation in indoor areas.

Screw with M6 armella for fixing, e.g. on metal dowels. With cable lock for continuous adjustment and without tools.

The service load is specified with a 5:1 safety factor. The breaking load is 5x higher than the service load. In combination with the universal support for grid tray (QW GRH) or energy tray (QW KRH) it has the safety factor 1.7 according to IEC 61537-Conduction systems for cables and ducts.
