| Catalog path | OBO BETTERMANN > KTS cable support systems - OBO BETTERMANN > Rest sheet tray |
|--------------|-------------------------------------------------------------------------------|

## Additional Product Information

Magic straight connector for direct and screwless joining of Magic fittings with a side height of 60 mm

The straight connector is equipped with four brackets and can also be used for the direct connection with a cut cable tray, with only two brackets mounted to one side. To join a cut cable tray with a fitting, an additional Magic straight connector set is needed.
