## Additional Product Information

Fast and precise regulation: 50 ms sampling loop period time  
Easy to set up, and operate intuitively via CX-Thermo without power supply  
Best contrast display using white LCD technology which is visible from a far distance and from any angle  
Useful alarm and diagnosis functions for secure operation  
Practical timer and logic operation functions eliminating the need of a PLC  
Additional models with different features are available. Please check related product catalogue.
