# FZ-VM 2M FZ3 0018A FZVM2M OMRON Cable for color monitor 2m

Brand: OMRON | Manufacturer Part Number: FZ-VM 2M

|                 |                                               |
|-----------------|-----------------------------------------------|
| Manufacturer    | OMRON                                         |
| MPN / Reference | FZ-VM 2M                                      |
| Catalog number  | FZVM2M                                        |
| Category        | Accessories/spare parts for sensor technology |
| Minimum order   | 1 Pcs                                         |
| Document ID     | EO-9D468660CF                                 |
| Generated       | 2026-07-31                                    |

## Product Overview

Cable for color monitor 2m  
2m color monitor cable  
Monitor cable, 2m (RGB output)

**STRUCTURED PRODUCT DATA**

## Technical Specifications

No structured technical attributes are currently available. Submit an RFQ for technical review.

## Classification & Catalog Path

|              |                                      |
|--------------|--------------------------------------|
| Catalog path | OMRON > Vision Systems > Accessories |
|--------------|--------------------------------------|

## Additional Product Information

High performance components deliver outstanding performance meeting the toughest requirements  
Wide and flexible camera line-up enables you to pick the most suitable hardware for every application - best performance at best value  
Highly reliable Camera Link interface  
High speed and high-resolution image acquisition  
Robust and rugged aluminum housing  
Smart algorithms and vision tools make every application robust and reliable - at any speed  
ETIM for 235826 Sensors (EC003015)  
Feature Name  
Feature Value  
Type of accessory/spare part (EF000215)  
Connection cable  
Accessory (EF013236)

Yes

Spare part (EF013237)

No
