# E39-L187 E39 1234G E39L187 OMRON Mounting bracket for E3NC-SH

Brand: OMRON | Manufacturer Part Number: E39-L187

|                 |                                               |
|-----------------|-----------------------------------------------|
| Manufacturer    | OMRON                                         |
| MPN / Reference | E39-L187                                      |
| Catalog number  | E39L187                                       |
| Category        | Accessories/spare parts for sensor technology |
| Minimum order   | 1 Pcs                                         |
| Document ID     | EO-B6BD7EE4F3                                 |
| Generated       | 2026-07-28                                    |

## Product Overview

Mounting bracket for E3NC-SH

Mounting bracket for E3NC-SH100 and E3NC-SH250, L-shape

**STRUCTURED PRODUCT DATA**

## Technical Specifications

No structured technical attributes are currently available. Submit an RFQ for technical review.

## Classification & Catalog Path

|              |                                                |
|--------------|------------------------------------------------|
| Catalog path | OMRON > Advanced sensors > Accessories Sensors |
|--------------|------------------------------------------------|

## Additional Product Information

ETIM for 377545 Sensors (EC003015)

Feature Name

Feature Value

Type of accessory/spare part (EF000215)

Mounting bracket

Accessory (EF013236)

Yes

Spare part (EF013237)

No
