| Generated       | 2026-08-03                                                |

## Product Overview

Electronic circuit breaker, 8 channels, max. 10 A per channel, 24 VDC

**STRUCTURED PRODUCT DATA**

## Technical Specifications

No structured technical attributes are currently available. Submit an RFQ for technical review.

## Classification & Catalog Path

Catalog path      OMRON &gt; Power supplies &gt; S8V Circuit Breakers

## Additional Product Information

4- / 8-channel electronic circuit breakers with adjustable tripping currents from 2 to 10 A

Thermomagnetic tripping characteristic

Sequential and load-dependent start-up of the outputs to avoid high inrush currents

Ability to switch-on high capacitive loads reliably

Backlit buttons with multi-color LEDs indicate the output status at a glance

Push-In Plus terminal blocks

Space saving Value Design for Panel

UL Class 2 model reduces the costs of applying a safety standard
