

INDUSTRIAL COMPONENT DATA

NC4-DEMO 1061902 PHOENIX CONTACT Building management system NC4-DEMO 1061902

Brand: PHOENIX CONTACT | Manufacturer Part Number: NC4-DEMO

Manufacturer	PHOENIX CONTACT
MPN / Reference	NC4-DEMO
Catalog number	1061902
Category	Automation software, others
Minimum order	1 Pcs
Document ID	EO-CFC70BA5C5
Generated	2026-09-21

Product Overview

Building management system - NC4-DEMO - 1061902

Emalytics Controller trial license for testing and engineering with unlimited functionality and 12-month runtime, renewed every year. This license is not authorized for use in production systems. Licenses for use in production systems can be purchased separately.

Emalytics Controller demo license for test and engineering purposes with unlimited functionality and 12-month validity, which will be renewed annually. This license is not approved for use in production systems. Licenses for use in production systems are available separately. Please note: By using the demo license, the controller used will be bound to the demo license for the long term. Productive operation is no longer possible for a controller licensed for demo purposes. That is why we recommend using a dedicated controller for internal testing purposes.

STRUCTURED PRODUCT DATA

Technical Specifications

No structured technical attributes are currently available. Submit an RFQ for technical review.

Additional Product Information

Technical dataNotesNote on application This license is not approved for use in production systems. Licenses for use in production systems are available separately.

Note on application By using the demo license, the controller used will be bound to the demo license for the long term. Productive operation is no longer possible for a controller licensed for demo purposes. That is why we recommend using a dedicated controller for internal testing purposes.

Product propertiesProduct type Building management system

Area of application Building technology

System properties Type of software Embedded
Intended use for the software Automation
Engineering
License information
Type of license Demo license
License duration nicht relevant
Functionality
Integrated function Analysis
Data acquisition
Diagnostics
Startup
Communication
Configuration
Project planning
Simulation
Target system Automation station
Supported controllers ILC 2050 BI
Number of data points not relevant
Number of clients nicht relevant
System requirements
Languages supported German, English
Screen resolution 1024 x 768 pixel(s) ,or higher

REQUEST PRICE, AVAILABILITY & TECHNICAL REVIEW
