INDUSTRIAL COMPONENT DATA

HC-MOT-TML-SET 1409066 PHOENIX CONTACT Housing set

Brand: PHOENIX CONTACT | Manufacturer Part Number: HC-MOT-TML-SET

Manufacturer	PHOENIX CONTACT
MPN / Reference	HC-MOT-TML-SET
Catalog number	1409066
Category	Housing for rectangular connectors
Minimum order	1 Pcs
Document ID	EO-1365940706
Generated	2026-11-18

Product Overview

Housing set
Plug connector. motor for connection drive. Triphasic. Metal housing for electromag compatibility. of taps incl. push-in contact insert, with screw connections (power and control circuit). With blind plugs in the connection. by control duct screw. 4-pole control circuit. With a triangular star bridge. With protective lid. IP54.
Motor connector for three-phase drive, metal housing with EMC sleeves incl. push-in contact insert, with screw connections (power and control circuit). With filler plugs in the control cable screw connection, 4-pos. control circuit, with star-delta bridge, with IP54 protective cover.

Additional Product Information

Technical dataNotesSafety note
Safety note WARNING: The connectors may not be plugged in or disconnected under load. Ignoring the warning or improper use may damage persons and/or property.
• WARNING: Commission properly functioning products only. The products must be regularly inspected for damage. Decommission defective products immediately. Replace damaged products. Repairs are not possible.
• WARNING: Only electrically qualified personnel may install and operate the product. They must observe the following safety notes. The qualified personnel must be familiar with the basics of electrical engineering. They must be able to recognize and prevent danger. The relevant symbol on the packaging indicates that only personnel familiar with electrical engineering are allowed to install and operate the product.
• The products are suitable for applications in plant, controller, and electrical device engineering.

• When operating the connectors in outdoor applications, they must be separately protected against environmental influences.
• Assembled products may not be manipulated or improperly opened.
• Only use mating connectors that are specified in the technical data of the standards listed (e.g. the ones listed in the product accessories online at phoenixcontact.com/products).
• When using the product in direct connection with third-party manufacturers, the user is responsible.
• For operating voltages > 50 V AC, conductive connector housings must be grounded
• Ensure that the pr...
