INDUSTRIAL COMPONENT DATA

SB-8EP6A8AWT00S 1314981 PHOENIX CONTACT M40, Conect. plug. for apar. wall lamp, series: SB, straight, shield..

Brand: PHOENIX CONTACT | Manufacturer Part Number: SB-8EP6A8AWT00S

Manufacturer	PHOENIX CONTACT
MPN / Reference	SB-8EP6A8AWT00S
Catalog number	1314981
Category	Circular connector, mounting (without cable)
Minimum order	1 Pcs
Document ID	EO-7B5C2942F0
Generated	2026-11-18

Product Overview

M40, Conect. plug. for apar. wall lamp, series: SB, straight, shielded: yes, for standard and SPEEDCON locking, No. of poles: 6+4+4+PE, 6-pole data element, Direction of rotation: Standard, contact connection type: Male, Axial O-ring, 4x Ø4.2, flange size: 40 mm x 40 mm, coding: Coding 1

Additional Product Information

Technical dataNotesGeneral Order the crimped contacts separately
Safety Indication
Safety Notes WARNING: Connectors should not be plugged in or unplugged under load. Failure to comply and improper use can result in property damage and personal injury.
• WARNING: Serve only products in perfect condition. Products should be checked regularly for damage. Remove defective products immediately. Replace damaged products. It is not possible to repair them.
• WARNING: only qualified personnel specialized in electrical engineering can install and use the product, always taking into account the following safety indications. Specialized personnel must be familiar with the fundamentals of electrical engineering. You must be able to identify and avoid hazards. The corresponding symbol on the packaging indicates that personnel specialized in electrical engineering are required for installation and operation.
• The products are suitable for the areas of application of the construction of electrical equipment, control systems and systems.
• If connectors are used outdoors, they must be protected in particular from environmental influences.

• Ready-made products may not be tampered with or opened in an unauthorized manner.
• Use only mating connectors that comply with the technical data of the specified standards (e.g. those indicated on the product accessories on the website on phoenixcontact.com/products).
• The user is responsible for using the product directly in conjunction with product...
