| MPN / Reference | SOL-RPL-KS-MON-24X25A                               |
| Catalog number  | 1785255                                             |
| Category        | Fieldbus, decentr. periphery - communication module |
| Minimum order   | 1 Pcs                                               |
| Document ID     | EO-5DA6BB8E60                                       |
| Generated       | 2026-08-06                                          |

### Product Overview

Photovoltaic string monitoring module for photovoltaic systems, 24 current measurements up to 25 A per Hall sensor, voltage measurement, 2 digital inputs, 1 analogue input (Pt 100), integrated temperature sensor, RS-485 communication, spare part for string boxes from Phoenix Contact
