

INDUSTRIAL COMPONENT DATA

709.4920 SCAME DOMESTIC CABLE REEL GERM.STD.W/ THERMAL

Brand: SCAME | Manufacturer Part Number: 709.4920

Manufacturer	SCAME
MPN / Reference	709.4920
Catalog number	7094920
Category	Cable reel
Minimum order	1 Pcs
Document ID	EO-9D3656C4C5
Generated	2026-08-02

Product Overview

DOMESTIC CABLE REEL GERM.STD.W/ THERMAL
DOMESTIC CABLE REEL 20m 4xGERMAN
20m 4x2P+E-16A-(GERMAN) GERMAN UNSHUTTER

STRUCTURED PRODUCT DATA

Technical Specifications

No structured technical attributes are currently available. Submit an RFQ for technical review.

Classification & Catalog Path

Catalog path SCAME > Domestic cable reels - SCAME > TRIS Series With thermal switch

Additional Product Information

Check the national laws prior to using or installing it.The maximum power supply is shown on every single item.After use rewind the cable carefully back into the reel.With thermal overload switch.A bimetallic device is put in close contact with the supply cable and protects it from excessive overheating resulting from the Joule effect. If activated, the device opens the circuit to the socket, interrupting the supply of electrical energy. Reactivation is only possible manually and if the temperature is below intervention threshold.
Warning: The thermal overload switch is not an isolator switch, therefore maintenance operations are carried out after having disconnected the circuit. The thermal overload switch does not protect the load from overcurrents (over-loading and short-circuiting)
