Additional Product Information

Overview

Single-family hands-free kit with connected monitor CLASSE 100X16E Wi-Fi, hands-free, 5" LCD screen, SFERA NEW modular pushbutton outer plate with aluminum front and color camera.

Product features

Thanks to the Wi-Fi connection, it is possible to associate the video monitor with the Home + Security App

From the App you will be able to control the main functions of the videoportero (receiving the call, opening the locks, activating the outer plate/cyclic display of the cameras, firmware update and additional activations)

Installation can be done on the surface with the corresponding metal stand (supplied) or tabletop thanks to the tabletop stands (2 x 344692) - sold separately.

Power supply via SCS BUS 18V to 27V

description
